

# Spikey Monster Donuts

**10**  
minutes  
or less

## INGREDIENTS

3 tbsp Hy-Vee creamy white frosting  
3 drop(s) teal food coloring gel  
1 Hy-Vee Bakery plain cake donut  
Black sparkle gel for writing and accents  
1 Lifesaver mint candy  
1 Over the Top silly eyeballs candies  
Over the Top rosy red ready to use write on gel  
15 Pocky matcha green tea cream covered biscuit sticks

## PREPARATION

- 1** Stir together white frosting and enough food coloring gel to tint frosting to desired teal color. Spread frosting on donut using an offset spatula.
- 2** Pipe a zig-zag mouth on top using black sparkling gel. For eye, gently press Lifesaver mint into frosting; attach eyeball to Lifesaver using red gel. Add blood-shot lines to eye using additional red gel.
- 3** Break bottom part of biscuit sticks off so sticks are about 2-to-3-inches long. Insert biscuit sticks into donut for spikes.
